

SUMMER CLERKSHIP OVERVIEW

PROGRAM OF STUDY	YEAR	FIELD OF CLERKSHIP
MD program for University/College students	M-2	INTERNAL MEDICINE
LOCATION	Department of Internal Diseases or Internal Ward	
DURATION	4 weeks, 120 h (5 days/week, 6 h/day) During that time, student must complete two on-call duties between 2 pm and 8 pm. On the on-call days, active interns are excused from presence in the obligatory activities the following day. Excused absence can be granted to the active intern only on submitting formal medical certificate. Illness longer than one week causes internship to be lengthened by the time of absence.	
SUPERVISION	Head of Department of Internal Diseases / Internal Ward or a preceptor assigned by him/her determines scope of responsibilities and the clerkship schedule, and oversees the student's work. The preceptor should be a physician with adequate general and professional competence. If possible, student should perform all medical activities under supervision of the preceptor.	
CREDITING	The preceptor is responsible for fulfillment of clerkship outline and grants credit to student by filling out the Certificate of Summer Clerkship Completion (provided by the JU MC SME). The student is obliged to keep record of all performed procedures and acquired skills in the List of Approved Procedures booklet.	
PROGRAM OF CLERKSHIP	During clerkship, student should: <ol style="list-style-type: none">1. Learn organization of an internal ward/department and organizational links of the ward/department with outpatient health care system;2. practice examination skills;3. learn emergency procedures (resuscitation);4. practice diagnosing and differentiation of basic disease entities, with special consideration of acute cases;5. learn to properly interpret laboratory, radiological and pathomorphological tests and examination results;6. participate in medical rounds;7. perform routine procedures such as intravenous injections, applying drips, catheterizing etc.;8. collect specimens for diagnostic tests.
