

# SUMMER CLERKSHIP OVERVIEW

PROGRAM OF STUDY	YEAR	FIELD OF CLERKSHIP
MD program for University/College students	P-1	<b>Primary Care</b>
<b>OBJECTIVES</b>	Exposing student to various minor and emergency procedures	
<b>LOCATION</b>	Ambulance Service / Emergency Unit / ICU/SICU/EICU	
<b>DURATION</b>	<b>1 week 40 hrs</b> (5 days/week, 6 h/day) Excused <b>absence</b> can be granted to the active intern only on submitting formal medical certificate. Illness longer than two days causes internship to be lengthened by the time of absence.	
<b>SUPERVISION</b>	Head of Emergency Medicine ward or a preceptor assigned by him/her determines scope of responsibilities and the clerkship schedule, and oversees the student's work. The preceptor should be a physician with adequate general and professional competence. If possible, student should perform all medical activities under supervision of the preceptor.	
<b>CREDITING</b>	The preceptor is responsible for fulfillment of clerkship outline and grants credit to student by filling out <b>the Certificate of Summer Clerkship Completion</b> (provided by the JU MC SME). The student is obliged to keep record of all performed procedures and acquired skills in the <b>List of Approved Procedures</b> booklet.	
<b>PROGRAM OF CLERKSHIP</b>	During clerkship, student should: in the <b>primary care</b> part: <ol style="list-style-type: none"><li>1. become acquainted with the scope of duties of an Emergency Unit;</li><li>2. assist in examinations during house calls, and in giving first aid to patients;</li><li>3. serve as paramedics on general medical aid, resuscitation, accident, pediatric, and gynecological-obstetrical ambulance crews;</li><li>4. learn procedures used in life threatening conditions;</li></ol>
