

## Linkage

Obligatory courses have to be linked with your study program and study stage. In order to do so, you need to:

1. Log in to your account on <https://www.usosweb.uj.edu.pl>
2. Go to "Student's section" and click "Linkage"

3. Go to the appropriate cycle and course. Click "add link" and/or "add stage" then choose your:
  - **program** – the code of the program you study (only ONE option will be available, unless you are a student of two or more programs simultaneously);
  - **stage** – the year you take that specific course – codes listed in the table below.\*

	Course	Status	Link to a study program	Link to a stage	Counts for average (stage/diploma)	Resignation from passing	Help
<input type="checkbox"/>	(Name of the course)				[ add link ]		

	Course	Status	Link to a study program	Link to a stage	Counts for average (stage/diploma)	Resignation from passing	Help
<input type="checkbox"/>	(Name of the course)	✓	WL-E044-JSO [ delete link ]	NONE [ add stage ]	NO / YES [ change ]	NO [ resign ]	i
			[ add another link ]				

An example of a properly linked course:

	Course	Status	Link to a study program	Link to a stage	Counts for average (stage/diploma)	Resignation from passing	Help
<input type="checkbox"/>	(Name of the course)	✓	WL-E044-JSO [ delete link ]	LK-1 [ edit stage ]	YES / YES [ change ]	NO [ resign ]	i
			[ add another link ]				

**NOTE: The above case is only an example.  
Please make sure to link courses to the correct stage (year of study)!**
